

PAFI 12th ANNUAL FORUM-2025

INDIA AND THE WORLD
COLLABORATION | CONNECTIVITY | COMPETITIVENESS

18 - 19 SEPTEMBER

NEW DELHI

Partner State: Telangana

PAFI is proud to have Telangana as its Partner State. The Forum will highlight Telangana's vital role in strengthening India's competitiveness on the global stage.

"I am delighted that Telangana and PAFI are partnering for their prestigious annual conclave. Telangana, India's youngest state, is shaping a bold and inclusive future with Telangana Rising 2047, a vision to grow into a \$1 trillion economy by 2035 and \$3 trillion by 2047, when India will celebrate the centenary of its Independence.

We are keen to transform our state and society into one of India's first fully developed regions by the highest global standards and look forward to PAFI playing a key proactive role in this ambitious, transformative journey."

A. Revanth Reddy

Chief Minister,
Government of Telangana
